- **Opportunities for receiving the Sacrament of Reconciliation**

We hold Reconciliation Services during the seasons of Advent and Lent. Our Parish Priest – Fr David, leads the ceremony, in the school hall, with an additional priest (if available) to support pupils to receive the sacrament.
Our Reconciliation Services include all our children from Key Stage 2: Years 3 up to 6. Our school hall is set up with a prayer table, including; a crucifix, Bible, Candles, and our figurine statue of St. Augustine of Canterbury.
Our services typically begin with a hymn and then Fr David leads the start of the service with an introductory prayer, followed by a reading from our school chaplains or lead children. Fr David will then draw our pupils into a reflective medication before ending the service.
Only pupils who have made their First Confession in the Catholic faith will receive absolution from a priest. These children are given the opportunity to sit and wait prayerfully in the school hall, with a prayer card of the penitential rite. After they have received absolution from a priest, our children pause and kneel in front of the prayer focus for their own intentions, before returning to their classes.

St. Augustine's Catholic Primary School

We try to follow Jesus by loving each other and caring for God's world.
Wisdom, Love, Might, Let there be Light!

Part 2: An overview of Formation demonstrating that all pupils are able to engage and participate in the prayer and liturgical life of the school.

St. Augustine's children experience prayer and liturgy as an integral part of their school day, in their curriculum and learning experiences and as part of collective worship. Through prayer and liturgy, our school mission, motto and Christian values are embedded, and explored, as we aim to support our children to grow in their faith, belief and relationship with God. This spiritual practice offers a time for our children to reflect individually, and a time to link together as a community, encouraging 'Wisdom, Love and Might'.

At St. Augustine's we provide prayer and liturgy, as an entitlement of Catholic education, for all of our children, their families and the wider community. We serve our whole school family and wider community, inviting everyone to share and participate in a rich experience of our Church's practice, through a repertoire of prayers and liturgical music, which our staff and children are familiar with. We offer inclusive collective worship, allowing all children and adults to have access to our celebration of praise, irrespective of their age, ability, culture or beliefs. We understand the multi-sensory and engaging nature of prayer and liturgy throughout history, and aim to replicate and model this inclusive approach, made possible through following the work of Jesus Christ.

Each classroom has a prayer area, with displayed items for prayer use, and as a central focal point to gather around and gaze upon. Each prayer area includes; a Bible, crucifix, candle, bell and a display of the liturgical colour for our church calendar, regular prayer words and a reminder of whole school current themes, e.g. rosaries, Catholic Social Teaching mascot, artwork. Our school chaplains maintain, monitor and evaluate these classroom prayer areas.

A variety of experiences include; daily learnt prayers at intervals during the day, our motto and mantra included with the sign of the cross, and an end of day reflection. Our motto *(Wisdom, Love, Might, Let there be Light!)*, curriculum drivers *(Aspiration, Creativity, Curiosity, Responsibility, Resilience, Tolerance)* and our Catholic Social Teaching, is woven throughout our daily prayer life, and planned experiences of collective worship, e.g. Gospel Assemblies, Singing Assembly, Class Assemblies, School Liturgies and Masses. These themes are revisited and embedded throughout our curriculum, in the classroom, and off site on school visits.

Our whole school are familiar with the daily prayer routines. These are led in KS2 by our school chaplains, and in other classes, by the chosen child of the day. The routine and dedicated time, helps our children to understand the importance and benefits of regular periods of calm quietness.

Our school offers opportunities for all children to be involved in, and lead their own daily prayer life, through a variety of school groups. Our school chaplains play a vital role leading in assemblies, rosary club, stations of the cross and attending high-profile religious celebrations. We also have Mini Vinnies, a School Council and Eco Warriors, who reflect through prayer life to help support and develop a better school, and strengthen their relationship with God.

Our Liturgy Leader carefully plans our collective worship termly plans, incorporating holy days of obligation and shared celebrations with the parish. Friday morning collective worship is part of the school routine, whether it is a whole school Mass, or a phase Mass or Liturgy, including the Angelus or Regina Caeli. These opportunities teach our traditions, and widen our children's experiences, with some events planned off-site at our local Catholic parish church, our city's cathedral, and even outside for special events with special visitors.

There is an expectation that pupils in certain Year groups will learn the following prayers:

Part 3: An overview of Formation to ensure that pupils who are able to exercise ministry during prayer & liturgy are formed to do so, identifying those pupils in a way that is sensitive and not exclusionary.

During prayer and liturgy, our whole school community are invited to take part, whether they are Catholic or non-Catholic.
The collaboration between the Liturgy Lead, Fr David and other parish chaplains, as well as the Head Teacher / RE Lead, ensures that our school provides thoughtful and appropriate events of prayer and liturgy that are inclusive and engaging and share the lead message to our children, staff and school family community.
Everyone is invited to support our ethos and values by listening to and reading the Word of God, receiving a blessing, singing during hymns and saying prayers and responses.
By being immersed in the ritual and routine of prayer and liturgy, everyone in our school quickly picks up the traditions, and enjoys the feeling of community and togetherness that these rituals bring.

We have a range of child-led roles and chaplaincy, including our School Council, School Chaplains, MiniVinnies and Eco-Warriors, as well as an established school choir. In particular, our school chaplains are important in leading our class prayer times, assemblies, rosary club and representing the school at high-profile religious celebrations. Anyone can volunteer to join these groups. Members are auditioned, interviewed or elected into these roles to ensure suitability and commitment to the roles and responsibilities.

We develop children's participation during prayer and celebration of the word. We teach the sung elements of the Mass and seasonal hymns, as well as choosing from volunteers to be readers and servers. We teach Mass Manners, including modelling good participation, teaching an etiquette of respect, and the importance of clarity when presenting. We teach our pupils to perform their responsibilities well so they are worthy for their roles.

During Mass – the celebration of the Sacrament of the Eucharist – only those who have been baptised with water in the name of the Trinity, who normally receive Holy Communion at Mass, are invited to proclaim the word of God. Only these pupils may participate in the Mass by exercising ministry, contributing to the delivery of Liturgy of the Word and the Liturgy of the Eucharist. This is explained to our pupils as part of their Catholic duty to lead and participate, and others can actively engage by being present and joining in with singing, responses and gestures.
