Dear Parent/Carer,

As you know, the NSPCC visited our school on Monday and delivered their **Speak out. Stay safe.** assembly to share information with your child about how they can keep themselves safe from harm and get help if they have any worries.

It was a very worthwhile and empowering session for both pupils and teachers. They spoke to the children and staff about the valuable work they do across the country, and talked about how important it is for everyone in our school community to join them in their 'fight for every childhood'.

As a charity, they can only provide these vital resources thanks to the financial support and generosity of their supporters. **That's why we're raising money to help the NSPCC's work in schools**

I am delighted to say that our school has chosen to support the valuable work of the NSPCC this term by taking part in a fundraising event, and I would really value your support and encouragement.

## **Bollywood Dance-athon!**

Our children will be doing a **Bollywood Dance-athon** which will not only be exciting for our pupils but will also mean they're raising money for the NSPCC's vital work *and* helping keep even more children safe. On this day, children can bring in a change of clothes that they feel comfortable to dance in, including party clothes, to celebrate the event!

Participation is purely voluntary but if you would like to support the NSPCC's work, it would be fantastic if you could give your child permission to take part by signing and returning the sponsor form with the money raised to the school by **Friday 17<sup>th</sup> May 2019**. If you have more than one child in school simply put all your children's names at the top of one form.

Every child who takes part in the Bollywood Dance-athon will receive a special Buddy badge. But more than that, they can also be proud that every penny raised will make a significant difference for children. By supporting the NSPCC we can work together to end child abuse.

## **Talking PANTS with your children**

The NSPCC's work in schools will help encourage conversations about staying safe – and they have a number of child-friendly materials to help you carry on the conversation afterwards. This includes 'Talk PANTS', a simple way for parents to help keep children safe from sexual abuse – without using scary words or even mentioning sex.

The guide uses the rules of PANTS to teach children that their body belongs to them and them alone.

If you'd like to know more about the NSPCC's work, or take a look at the wide range of information and advice which is available for parents and carers, please visit their website [nspcc.org.uk/parents](https://nspcc.org.uk/parents)

Yours sincerely,

Rachel Swindell - Head of School
