Staffing arrangements

Staffing levels	Temporary staff, external specialist support staff and specialist coaches are welcomed back to the setting and where possible their work is arranged so that: <ul style="list-style-type: none"> Short duration, ad hoc and working at more than one setting is avoided They are assigned to consistent groups in the same way as permanent staff are to limit the number of children they interact with (coaching timetables have been rearranged to longer rotas than normal where necessary) A space of 48 hours between site visits is applied Longer assignments with supply teachers are agreed 	Yes	All visiting staff must follow the infection control requirements. Parents must agree that their child can work with specialist teachers and/or coaches. <ul style="list-style-type: none"> Specialist support staff are able to carry out planned regular work on a 1:1 basis with assessed children. Specialist coaches can run planned after school clubs for up to 45 minutes with a limit of up to 15 children per group. 	20/07/2020 01/09/2020 07/09/2020 11/09/2020
-----------------	---	-----	---	--

			<ul style="list-style-type: none"> • Wherever possible, specialist support teachers and coaches will work in one setting or minimise as much possible. • Specialist support staff and coaches will be asked where they have worked during the past week to help 'track and trace' and monitor multisite working. • The school will endeavour to use long serving regular supply teachers that limits multisite working. 	
	Teaching staff breaks are organised in a way that avoids staff covering from a different group	Yes	Timetables will ensure that staff remain working within phase bubbles wherever possible.	20/07/2020 01/09/2020
	Consistent working arrangements are applied to ITT trainees.	Yes	All ITT trainees will receive the risk assessment and Parent Guide book to help them understand the infection control requirements arranged in our school setting. ITTs will be planned for in and updated 'Staffing Phase Bubbles' document.	20/07/2020 01/09/2020 11/09/2020
	Where teachers and other staff need to operate across different classes and year groups in order to facilitate the delivery of the school timetable, they are assigned consistently in line with wider principles of bubbles as much as possible.	Yes Ongoing	Timetables will ensure that staff remain working within phase bubbles wherever possible.	20/07/2020 01/09/2020 11/09/2020
	Wherever bubbles are compromised as a result of timetable, curriculum or other delivery needs the setting ensures scrupulous compliance with all of the required infection control measures	Yes Ongoing	All staff must follow the infection control requirements, particularly when working across class bubbles and phase bubbles, e.g. PPA teachers and TAs.	20/07/2020 01/09/2020 11/09/2020
	Where volunteers are used the same staff principles are applied.	Yes Ongoing	The school has shared COVID 19 risk assessment with volunteers visiting the school site.	20/07/2020 01/09/2020
Premises and cleaning staff	Normal premises management arrangements have resumed.	Yes	The building manager is aware of infection control requirements that may impact on premises management.	20/07/2020 07/09/2020 11/09/2020

			during times when pupils and staff move around the setting.	11/09/2020
	Staff who carry out cleaning and disinfection have the appropriate equipment required for the task.	Yes	Cleaning schedule shared with staff. Cleaning equipment regularly monitored and purchased.	20/07/2020 01/09/2020 11/09/2020

Minimise contact maintain social distance and activity risk reduction

Pupil and staff grouping – main groups and extended groups

Developing groups	<p>Main groups (staff and pupils) have been developed that are the smallest practicable whilst enabling all pupils to return and a full curriculum to be taught, consideration has been given to the following where possible:</p> <ul style="list-style-type: none"> • Groups are kept static • Extended groups are only created to accommodate specified activities such as transport, wraparound care, specific curriculum or teaching requirements. • Contact within groups is minimised through measures outlined in this assessment. • Pupils will stay in their class/group throughout the day, or on subsequent days 	Yes	<p>A teaching group will not exceed 30 children in any classroom. Class group bubbles will remain together as much as possible, including the teaching staff. For some teaching, children may mix within a phase bubble for specific lesson activities, e.g. Maths/Phonics groups. Each year group will have designated areas for their phase bubbles, with their own handwashing / hygiene areas. Wherever possible, contact within bubbles will adhere to 2m social distancing, e.g. lining up.</p>	<p>20/07/2020 01/09/2020 07/09/2020 11/09/2020</p>
	Any extended groups created remain as small and consistent as possible	Yes Ongoing	For breakfast and after school club activities, the number of children will be reduced to 15 children where possible unless absolutely essential.	<p>20/07/2020 01/09/2020 11/09/2020</p>
	<p>Where possible the number of children to staff ratio is reduced further to assist with social distancing and wider safety measures relating to specific circumstances as outlined in the compliance code including:</p> <ul style="list-style-type: none"> • some secondary curriculum practical activities • some music activities • With very young children • Because of health conditions or understanding of the children 	Yes Ongoing	<p>For breakfast and after school club activities, the number of children will be reduced to 15 children where possible to support social distancing. For clinically vulnerable children and staff, precautions will be made to ensure that a 2m socially distanced working space is created.</p>	<p>20/07/2020 01/09/2020 11/09/2020</p>
Staffing within groups	Staff are paired consistently for two person activities e.g. supervision, teaching, personal care.	Yes	<p>Staff will work together in phase bubbles to support each other with supervision duties, planning and personal care. First Aid staff are allocated to phase bubbles to support personal care, emergencies, behaviour and supervise break times for children and staff.</p>	<p>20/07/2020 01/09/2020 11/09/2020</p>
	The same teachers and other staff are assigned to each class group, and where possible for the same day and subsequent days.	Yes	The same teachers have been assigned class groups (bubbles). Part-time staff have been grouped together to share	<p>20/07/2020 01/09/2020 11/09/2020</p>

			duties in a consistent timetable that remains the same each week.	
Contact records	Contact records of groups and individuals including visitors are maintained in line with Case Management Guidance.	Yes Ongoing	Contact records will be kept where bubbles have to mix for essential reasons.	20/07/2020 01/09/2020 11/09/2020

Other general measures

	The use of outdoor spaces has been maximised	Yes	Wherever possible, class group bubbles will utilise outdoor spaces for activities. Staggered break/lunch times will maximise the use of all playgrounds for class group bubbles.	20/07/2020 01/09/2020 11/09/2020
	Unavoidable queues are managed this includes through the provision of distancing markings where queues are likely	Yes	Timetabling and keeping class bubbles together should reduce the risk of queuing. Class group bubbles will manage those that use the toilets to avoid queuing. Handwashing queues can be managed within classrooms. Break time queues will be managed by the staff on duty. Lunchtime queues will be avoided by eating meals in classrooms.	20/07/2020 01/09/2020 07/09/2020 11/09/2020
	Gatherings involving more than one group is avoided e.g. assemblies,	Yes	Assemblies and collective worship will be stopped. Online alternatives have been organised.	20/07/2020 01/09/2020 07/09/2020 11/09/2020
	Activities involving invited audiences do not take place	Yes	Collective worship and school performances will be stopped. Wherever possible, online alternatives will be organised.	20/07/2020 01/09/2020 11/09/2020
	An assessment has been made of all close contact within 2 m interactions and these have been reduced where it is possible.	Yes	Wherever necessary, markings have been placed to help manage 2m social distancing. Furniture in each room has been organised in a way that helps keep the maximum social distance.	20/07/2020 01/09/2020 11/09/2020

			Poster reminders are placed around the school to promote 2m social distancing. A one way system around the school building helps promote 2m social distancing.	
	A plan is in place for the management of toilets and hand washing facilities including the number of children safely able to use the facilities at any one time and, where possible mixing of groups while using these facilities is avoided.	Yes	Class group bubbles will manage those that use the toilets to avoid queuing, e.g. one at a time. Handwashing queues can be managed within classrooms.	20/07/2020 01/09/2020 11/09/2020
	Activities that encourage or cause people to raise their voices will not take place. Pupils are advised of these requirements while on the premises.	Yes	Appropriate behaviour will be promoted through the school rules and behaviour policy. This will be updated in September with input from each class.	20/07/2020 07/09/2020 11/09/2020
	The number of books and other resources taken home by pupils and staff is limited as far as is possible.	Yes	The school library will be closed. Lending books will be managed on a rotation basis including a period of quarantine for returned books.	20/07/2020 01/09/2020 11/09/2020
	Resources such as pens and pencils are not shared between pupils, other resources such as books are issued on a rotational basis.	Yes	Any resources that are shared between groups will be disinfected afterwards. A quarantine system will be organised and managed by staff.	20/07/2020 07/09/2020 11/09/2020
	<p>Movement around the school is kept to a minimum as follows:</p> <ul style="list-style-type: none"> • Movement of whole classes is avoided where pupils can stay in the same room and staff can move to different classes instead. The rooms used have been selected to enable this. • Class times have been staggered to prevent large numbers moving around the premises at the same time where it cannot be avoided (for example, for PE, outside breaks) <p>Where large numbers of pupils need to move around the setting the following have been implemented where possible:</p> <ul style="list-style-type: none"> • Staggered times for using stairs and corridors • Utilisation of alternative external routes • One-way systems introduced • Supervision of movements around settings • Central dividers placed in the middle of wide corridors to keep groups apart 	Yes	<p>A one way system, class based lunchtimes and staggered timetables will reduce the movement of classes around the school.</p> <p>Where there is movement, timetabling will reduce the passing of class/group bubbles.</p> <p>An updated behaviour policy will promote a safe discipline for pupil's movement around the school. This will be encouraged and managed by all staff – awaiting pupil input.</p> <p>Dividers will be used around the school hall to manage the safety of the one way system.</p> <p>Entrances, exits and a one way system help prevent the crossing of class/group bubbles between children and staff.</p>	20/07/2020 01/09/2020 11/09/2020

	<ul style="list-style-type: none"> The order of entry and exit into all rooms used (including dining room) has been planned in order to avoid pupils and staff passing each other 			
	Arrangements for collecting, passing on and returning shared resources and equipment is planned to prevent close contact.	Yes	Entrances, exits and a one way system help prevent the crossing of class/group bubbles between children and staff.	20/07/2020 01/09/2020 11/09/2020
	Larger spaces are not used by more than one group without partitioning in order to create physical separation.	Yes	Large spaces for break times and lunchtimes will be partitioned where possible to avoid the mixing of bubbles. Where spaces are used by more than one group, appropriate disinfection will be carried out on shared equipment.	20/07/2020 01/09/2020 07/09/2020 11/09/2020
Lifts	Lifts are not shared unless the person using the lift requires support and lifts are prioritised to those people who are not able to use the stairs		N/A	
	Posters have been used to encourage this where required		N/A	
	Hand sanitiser is provided for use before and after touching lift controls.		N/A	
Lockers	Locker allocation has taken account of the assigned groups so that groups are not compromised when they are being used.		N/A	
Bags and coats	Times of use are supervised and managed, particularly where arrival and leaving times cannot be staggered.	Yes	Wherever possible, cloakrooms will not be used. Children will keep their personal belongings at their desk spaces. Children will be asked to come into school in their PE kits on PE days.	20/07/2020 01/09/2020 11/09/2020
	Where possible alternative areas have been allocated for cloak room use in order to prevent pupils gathering	Yes	See above.	20/07/2020 01/09/2020 11/09/2020

Measures within the classroom

	<ul style="list-style-type: none"> Alternative larger spaces that are available such as gyms and halls are used to encourage social distancing where it is possible to Distancing is encouraged by removing unnecessary items, furniture and equipment to create more space to reconfigure desks Seats are forward facing 	Yes	Wherever possible, class group bubbles will utilise the hall space for activities on a timetabled basis. Wherever possible, extra furniture has been removed or rearranged to create more space.	20/07/2020 01/09/2020 07/09/2020 11/09/2020
--	--	-----	---	--

	<ul style="list-style-type: none"> The position of the teachers space/desk is considered as part of the configuration to support distancing from the class 		<p>In KS2 classrooms, desks will all face forwards. The teacher's desk will be arranged in a space that is as far as possible away from the children's desks.</p>	
	<p>Where bags cannot be kept at desks/workspaces e.g. science lessons or DT lessons they are safely stored in a way that does not encourage congregating and touching each other's belongings e.g. use of lockers, bag hooks</p>		<p>N/A</p>	
	<p>The teaching approach is modified where possible in order to:</p> <ul style="list-style-type: none"> Where age appropriate, keep a distance from children in the class including minimising going to pupil desks to check work or calling pupils up to the teachers desk Where close contact is needed, interact side to side with pupils and not face to face Not require pupils to share or swap resources, including no marking each others books Manage picking-up and dropping-off resources in a way that prevents passing them hand-to-hand 	<p>Yes Ongoing</p>	<p>Staff will be mindful when planning activities with the children so that they can keep a safe distance. Staff will be regularly reminded that they should try to interact side to side, NOT face to face. Any shared resources must be disinfected between use. Children will be continually reminded of the etiquette for using shared resources, including, not passing to others.</p>	<p>20/07/2020 01/09/2020 07/09/2020 11/09/2020</p>
	<p>The resources brought in from home by children is kept to a minimum e.g. lunch boxes, hats, coats, books, stationery and mobile phones. and these are not shared with the group.</p>	<p>Yes Ongoing</p>	<p>Families and children will be reminded of the rules for bringing in equipment from home in the COVID Schools Handbook</p>	<p>20/07/2020 01/09/2020 07/09/2020 11/09/2020</p>

Playgrounds

	<p>Signage identifies the maximum number of users for equipment, distancing is encouraged for waiting and while using equipment</p>	<p>Yes Ongoing</p>	<p>Staff will continually promote current play equipment rules that restricts the number of children on a piece of equipment at any time.</p>	<p>20/07/2020 07/09/2020 11/09/2020</p>
	<p>Equipment use is supervised, and time limited to enable other users to take their turn</p>	<p>Yes Ongoing</p>	<p>All equipment used will be supervised to ensure safe and fair use.</p>	<p>20/07/2020 07/09/2020 11/09/2020</p>
	<p>Seating has been removed or marked off to encourage distancing on individual items of equipment.</p>	<p>Yes Ongoing</p>	<p>Fixed benches will be out of use unless it can be easily marked with spaced markers.</p>	<p>20/07/2020 07/09/2020 11/09/2020</p>

	A one-way system has been introduced around outdoor gym equipment and trim trails	Yes Ongoing	Staff will continually promote current play equipment rules that enforces a one way system on the trim trail or tyres.	20/07/2020 07/09/2020 11/09/2020
