# 10. Attendance

---

Since the start of the Autumn term 2021, pupil attendance has been mandatory and the usual rules on attendance apply, including:

- It is the parents' duty to ensure that their child of compulsory school age attends regularly at the school where the child is a registered pupil
- It is the school's responsibility to record attendance and follow up any absence
- the school has the authority to issue sanctions, including fixed penalty notices, in line with the local authority codes of conduct

All vulnerable children and young people with health needs should attend their education setting.

If you have concerns about your child attending, or they have any additional needs, you can discuss this with the school.
