

# St. Augustine's Catholic Primary School

*We try to follow Jesus by loving each other and caring for God's world.*

**NEWSLETTER ~ 3rd May 2024**

***"This is my commandment: love one another, as I have loved you."***

**John 15: 9-17 ~ The 6th Sunday of Easter**

We have entered the month of May and the month of Mary.

Our school chaplains have started their first session of Rosary club at lunchtimes, and are looking forward to doing this each day during May.

Our KS2 liturgy celebrated Mary by bestowing our statue with a collection of flowers. We use this month to honour Mary by thinking of others and showing them we care, as Mary our mother taught us.

Unfortunately, due to the weather, we were unable to do a procession to St. Walstan's this year. Instead we presented them to our school statue in the school hall.

***1. Who do you know, at the moment, who needs extra support and kindness?***

***2. How can you show love and kindness to those that look after and care for you?***

***3. Can you spend a moment each day to pray to Mary, thanking her for all those who take time to care for others in need?***

## Art Competition ~ Fantastic Beasts

Each half term we hold an art competition. This is a chance for children to express themselves and share their creative talents, to explore a chosen idea and theme. This half term, the theme is **Fantastic Beasts!**

Create your own amazing animal using as many ideas as you want. You can draw, paint or sculpt your fantastic beast, using any media that you wish.

**Deadline: Friday 17th May 2024**

## Book Fundraiser

At St Augustine's we want to foster a love of reading in all our pupils. In order to achieve this, we know that our children need to feel inspired.

We would like to raise funds for a collection of high-quality new books, so there is something to engage all our children, whether they are already a keen reader in search of their next great read or a reluctant reader looking for something to transform them into a lifelong reader. We want all of our pupils to develop a love of reading for pleasure.

Reading is a skill we take for granted, yet one that is essential to support us throughout our whole lives. As a child grows up, being able to read well not only enables them to discover new facts but also opens them up to a world of new ideas, stories and opportunities.

Therefore, we are aiming to raise £3000 which will enable us to purchase new books for all our year groups, from nursery to Year 6, so that all our pupils will find something to ignite their imagination and passion for reading. The sets we have chosen come from Books For Topics Recommended Reads collections, including high-quality reading for pleasure choices specially chosen to boost reading in each year group. You can see the collections at [www.booksfortopics.com/booklists/recommended-reads/](http://www.booksfortopics.com/booklists/recommended-reads/).

These collections of books will form part of our plan to create new and high-quality library areas in UKS2, LKS2 and KS1/EYFS that will benefit all our children as they progress through the school.

Thank you in advance for your continued support.

Best wishes, Our St. Augustine's Family

## Plastic-Lid Collection

Our Eco-Warriors have been sharing Pope Francis' message from his letter titled Laudato Si.

As part of their work to promote sustainability and caring for our common home, the Eco Warriors would like to re-use and upcycle plastic lids to create a piece of permanent art work.

The idea is to create a large picture of our school's patron, Saint Augustine of Canterbury.

Please start collecting any finished plastic lids, of any colour, and any size and bring them into school after half term.

## Books Purchased

Below is a picture of the books we have purchased so far with the money we have raised with the help of our families and friends of St Augustine's. If you would like to donate towards our next purchase, please visit: <https://supportyourschool.org.uk/st-augustines-catholic-primary-school/booksfortopics-year-group-recommended-reads>

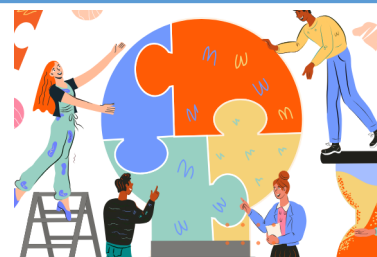

## Preventing Online Radicalisation and Extremism

Please find attached a digital flyer about some online sessions for parents, carers and youth workers about preventing radicalisation and extremism.

These sessions will assist in raising awareness about young people who are susceptible to online radicalisation and extremism. The sessions will be run by a reformed Extreme Right-Wing (ERW) activist who now supports people to leave extremism and helps them build resilience for the future.

Attendees will be given information about where to go for help if they are worried about a family member or other young person they know.

Anyone can be vulnerable to radicalisation, regardless of gender, ethnicity, religion, education or age but some factors can make a person more at risk of being targeted by people with extreme views. With young people having access to the online world at an increasingly earlier age, it is really important that we are all aware of the signs of radicalisation, how it happens and where to go for help.
